36 SECTION 25. That Section 33-312, Idaho Code, be, and the same is hereby amended to

11 The state board of education may approve or disapprove any such proposal submitted to
 12 it, and shall give notice thereof in the manner of a proposal to consolidate school districts;
 13 except, that the state board of education shall not approve any proposal which would result in a
 14 district to be created by the division having or assuming a bonded debt in an amount exceeding
 15 the limitations imposed by law, or which would leave the area of any city ~~or village~~ in more
 16 than one (1) school district.

17 If the state board of education shall approve the proposal to divide the district, notice of
 18 the election shall be published, and the election shall be held and subject to the provisions
 19 of section 34-106, Idaho Code. The election shall be conducted, and the ballots shall be
 20 canvassed, according to the provisions of sections 33-401 33-406 title 34, Idaho Code. The

 23 election are in favor of the division of such district, and a majority of all votes cast at said
 24 special election by the qualified voters within that portion of the proposed new district having
 25 a minority of the number of qualified voters, such portion to be determined by the number of
 26 votes cast in each area which is a contemplated new district, are in favor of the division of
 27 the district, and upon such approval two (2) new school districts shall be thereby created. The

 38 three (3) trustee zones and each other school district shall be divided into no fewer than five
 39 (5) nor more than nine (9) trustee zones according to the provisions of section 33-501, Idaho
 40 Code. A school district that has had a change in its district boundaries because of consolidation
 41 on and after January 1, 2008, shall divide trustee zones so that each former district in the new
 42 district shall not be split into different trustee zones, unless the provisions of subsection (2) of
 43 this section cannot be satisfied.

44 (2) Any proposal to define the boundaries of the several trustee zones in each such
 45 school district shall include the determination, where appropriate, of the number of trustee

1 zones in such district, and the date of expiration of the term of office for each trustee. The
 2 boundaries of the several trustee zones in each such school district shall be defined and drawn
 3 so that, as reasonably as may be, each such zone shall have approximately the same population.

4 (3) Whenever the area of any district has been enlarged by the annexation of all or
 5 any part of another district, or by the correction of errors in the legal description of school
 6 district boundaries, any such additional territory shall be included in the trustee zone or zones
 7 contiguous to such additional territory until such time as the trustee zones may be redefined and
 8 changed. Trustee zones may be redefined and changed, but not more than once every five (5)
 9 years, in the manner hereinafter provided.

10 (4) A proposal to redefine and change trustee zones of any district may be initiated by

 12 the report of the decennial census, and submitted to the state board of education, or by petition

 15 census or the receipt of a petition to redefine and change the trustee zones of a district the
 16 board of trustees shall prepare a proposal for a change which will equalize the population in
 17 each zone in the district and shall submit the proposal to the state board of education. Any
 18 proposal shall include a legal description of each trustee zone as the same would appear as
 19 proposed, a map of the district showing how each trustee zone would then appear, and the
 20 approximate population each would then have, should the proposal to change any trustee zones
 21 become effective.

22 (5) Within sixty (60) days after it has received the said proposal the state board of
 23 education may approve or disapprove the proposal to redefine and change trustee zones and
 24 shall give notice thereof in writing to the board of trustees of the district wherein the change
 25 is proposed. Should the state board of education disapprove a proposal the board of trustees
 26 shall within forty-five (45) days submit a revised proposal to the state board of education.
 27 Should the state board of education approve the proposal, the trustee zones shall be changed in
 28 accordance with the proposal and a copy of the legal description of each trustee zone and map
 29 of the district showing how each trustee zone will appear shall be filed with the county clerk.

30 (6) At the next regular meeting of the board of trustees following the approval of the
 31 proposal the board shall appoint from its membership a trustee for each new zone to serve
 32 as trustee until that incumbent trustee's ~~three (3) year~~ term expires. If the current board
 33 membership includes two (2) incumbent trustees from the same new trustee zone, the board
 34 will select the incumbent trustee with the most seniority as a trustee to serve the remainder of
 35 his ~~three (3) year~~ term. If both incumbent trustees have equal seniority, the board will choose
 36 one (1) of the trustees by the drawing of lots. If there is a trustee vacancy in any of the new
 37 zones, the board of trustees shall appoint from the patrons resident in that new trustee zone, a
 38 person from that zone to serve as trustee until the next annual meeting. At the annual election
 39 a trustee shall be elected to serve during the term specified in the election for the zone. The
 40 elected trustee shall assume office at the annual meeting of the school district next following

 2 in combination. The cooperative service agency thus formed shall be empowered to adopt
 3 bylaws, and act as a body corporate and politic with such powers as are assigned through its
 4 bylaws but limited to the powers and duties of local school districts. In its corporate capacity,
 5 this agency may sue and be sued and may acquire, hold and convey real and personal property
 6 necessary to its existence. The employees of the service agency shall be extended the same
 7 general rights, privileges and responsibilities as comparable employees of a school district.

8 (2) A properly constituted cooperative service agency may request from its member
 9 school districts funding to be furnished by a tax levy not to exceed one-tenth of one percent
 10 (.1%) for a period not to exceed ten (10) years by such member school districts. Such levy
 11 must be authorized by an election held subject to the provisions of section 34-106, Idaho Code,
 12 and be conducted in each of the school districts pursuant to chapter 14, title 334, Idaho Code,
 13 and approved by a majority of the district electors voting in such election. Moneys received
 14 by the member school districts from this source shall be transferred to the cooperative service
 15 agency upon receipt of billing from the agency. Excess revenue over billing must be kept in a
 16 designated account by the district, with accrued interest, and may only be spent as budgeted by
 17 the agency.

18 (3) For the purpose of constructing and maintaining facilities of a cooperative service
 19 agency, in addition to the levy authorized in subsection (2) of this section, a properly
 20 constituted cooperative service agency may request from its member school districts additional
 21 funding to be furnished by a tax levy not to exceed one-tenth of one percent (.1%) for a
 22 period not to exceed ten (10) years. Such levy must be authorized by an election held subject
 23 to the provisions of section 34-106, Idaho Code, and be conducted in each of the school
 24 districts pursuant to chapter 14, title 334, Idaho Code, and approved by sixty-six and two-thirds
 25 percent (66 2/3%) of the district electors voting in such election. If one (1) or more of the
 26 member districts fails to approve the tax levy in such election, the cooperative service agency
 27 may construct the facility through the support of the member districts approving the levy,
 28 but in no event shall the levy limits authorized in this subsection (3) be exceeded. Nothing
 29 shall prevent a member district that initially failed to approve the levy from conducting
 30 a subsequent election, held pursuant to ~~chapter 4, title 33~~ section 34-106, Idaho Code, to
 31 authorize that district's participation in construction of the facility. Electors of the districts may
 32 approve continuation of such levy for an additional ten (10) years at an election held for that
 33 purpose. There is no limit on the number of elections which may be held for the purpose of
 34 continuing the levy authorized under this subsection (3) for an additional ten (10) years. The
 35 administration and accounting of moneys received by imposition of the levy shall be the same
 36 as provided in subsection (2) of this section.

The proceedings calling such election shall set forth the boundaries of each proposed school subdistrict and shall provide for the submission of the question of the creation of each such school subdistrict to the qualified electors of the school district and to the qualified electors residing within the proposed boundaries of each such school subdistrict. No proposition for the creation of a school subdistrict shall be determined to have carried unless such proposition shall receive a majority of the votes cast on such proposition by the qualified electors residing within the boundaries of the school district and a majority of the votes cast on such proposition by the qualified electors residing within the boundaries of the proposed school subdistrict. Whenever the creation of more than one (1) school subdistrict is submitted at the same election, separate ballots and separate propositions shall be used in voting on the question of creating each school subdistrict.

8 (1) To rent to or from others, school buildings or other property used, or to be used, for
 9 school purposes.

10 (2) To contract for the construction, repair, or improvement of any real property, or the
 11 acquisition, purchase or repair of any equipment, or other personal property necessary for the
 12 operation of the school district.

13 Except for the purchase of curricular materials as defined in section 33-118A, Idaho Code,
 14 such contract shall be executed in accordance with the provisions of chapter 28, title 67, Idaho
 15 Code.

16 (3) To designate and purchase any real property necessary for school purposes or in the
 17 operation of the district, or remove any building, or dispose of any real property. Prior to, but
 18 not more than one (1) year prior to, any purchase or disposal of real property, the board shall
 19 have such property appraised by an appraiser certified in the state of Idaho, which appraisal
 20 shall be entered in the records of the board of trustees, and shall be used to establish the value
 21 of the real property. The board of trustees shall determine the size of the site necessary for
 22 school purposes. The site shall be located within the incorporated limits of any city within
 23 the district; provided, however, that if the board finds that it is not in the best interests of the
 24 electors and the students of the district to locate the site within the incorporated limits of a city,
 25 the board, by duly adopted resolution setting forth the reasons for its finding, may designate a
 26 site located elsewhere within the district. In elementary school districts, except upon removal
 27 for highway purposes, a site may be designated or changed only after approval of two-thirds
 28 (2/3) or more of the electors voting at the annual meeting.

29 (4) (a) To convey, except as provided by paragraph (b) of this subsection, by deed, bill
 30 of sale, or other appropriate instrument, all of the estate and interest of the district in
 31 any property, real or personal. In elementary school districts, except such conveyance
 32 as is authorized by subsection (6) of this section, any of the transactions authorized in
 33 this subsection shall be subject to the approval of two-thirds (2/3) or more of the electors
 34 voting at the annual meeting.

35 Prior to such sale or conveyance, the board shall have the property appraised pursuant
 36 to this section, which appraisal shall be entered in the records of the board of trustees.
 37 The property may be sold at public auction or by sealed bids, as the board of trustees
 38 shall determine, to the highest bidder. Such property may be sold for cash or for such
 39 terms and conditions as the board of trustees shall determine for a period not exceeding
 40 ten (10) years, with the annual rate of interest on all deferred payments not less than
 41 seven percent (7%) per annum. The title to all property sold on contract shall be retained
 42 in the name of the school district until full payment has been made by the purchaser, and
 43 title to all property sold under a note and mortgage or deed of trust shall be transferred
 44 to the purchaser at the point of sale under the terms and conditions of the mortgage
 45 or deed of trust as the board of trustees shall determine. Notice of the time and the

The board of trustees may accept the highest bid, may reject any bid, or reject all bids. If the real property was donated to the school district the board may, within a period of one (1) year from the time of the appraisal, sell the property without additional advertising or bidding. Otherwise, the board of trustees must have new appraisals made and again publish notice for bids, as before. If, thereafter, no satisfactory bid is made and received, the board may proceed under its own direction to sell and convey the property. In no case shall any real property of the school district be sold for less than its appraisal.

The board of trustees may sell personal property, with an estimated value of less than one thousand dollars (\$1,000), without appraisal, by sealed bid or at public auction, provided that there has been not less than one (1) published advertisement prior to the sale of said property. If the property has an estimated value of less than five hundred dollars (\$500), the property may be disposed of in the most cost-effective and expedient manner by an employee of the district empowered for that purpose by the board, provided however, such employee shall notify the board prior to disposal of said property.

(b) Real and personal property may be exchanged hereunder for other property. Provided, however, that aside from the provisions of this paragraph, any school district may by a vote of one-half (1/2) plus one (1) of the members of the full board of trustees, by resolution duly adopted, authorize the transfer or conveyance of any real or personal property owned by such school district to the government of the United States, any city, county, the state of Idaho, any hospital district organized under chapter 13, title 39, Idaho Code, any other school district, the Idaho housing and finance association, any public charter school, any library district, any community college district, or any recreation district, with or without any consideration accruing to the school district, when in the judgment of the board of trustees it is for the interest of such school district that said transfer or conveyance be made. Prior to any transfer or conveyance of any real or personal property pursuant to this paragraph (4)(b), the board shall have the property appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees, and shall be used to establish the value of the real or personal property.

(5) To enter into contracts with any city located within the boundaries of the school district for the joint purchase, construction, development, maintenance and equipping of playgrounds, ball parks, swimming pools, and other recreational facilities upon property owned either by the school district or the city.

(6) To convey rights-of-way and easements for highway, public utility, and other purposes over, upon or across any school property and, when necessary to the use of such property for any such purpose, to authorize the removal of school buildings to such new location, or locations, as shall be determined by the board of trustees, and such removal shall be made at no cost or expense to the school district.

(7) To authorize the use of any school building of the district as a community center, or for any public purpose, and to establish a policy of charges, if any, to be made for such use.

(8) To exercise the right of eminent domain under the provisions of chapter 7, title 7, Idaho Code, for any of the uses and purposes provided in section 7-701, Idaho Code.

(9) If there is a great public calamity, such as an extraordinary fire, flood, storm, epidemic, or other disaster, or if it is necessary to do emergency work to prepare for national or local defense, or it is necessary to do emergency work to safeguard life, health or property, the board of trustees may pass a resolution declaring that the public interest and necessity demand the immediate expenditure of public money to safeguard life, health or property. Such levies shall not exceed the difference between the amount of equalized funds that the state department of education estimates the school district will receive in fiscal year 2007, based on the school district's fiscal year 2006 reporting data, and the combined amount of money the school district would have received from its maintenance and operation levy and state property tax replacement funds in fiscal year 2007 under the laws of the state of Idaho as they existed prior to amendment by the first extraordinary session of the fifty-eighth Idaho legislature. The state department of education shall notify the state tax commission and affected counties and school districts of the maximum levy amounts permitted, by no later than September 1, 2006.

(4) Charter District Supplemental Maintenance and Operation. Levies pursuant to the respective charter of any such charter district shall be first authorized through an election held subject to the provisions of section 34-106, Idaho Code, and pursuant to chapter 4, title 33, Idaho Code, and approved by a majority of the district electors voting in such election.

(6) A charter district may levy for maintenance and operations if such authority is contained within its charter. In the event property within a charter district's boundaries is contained in a revenue allocation area established under chapter 29, title 50, Idaho Code, and such revenue allocation area has given notice of termination thereunder, then, only for the purpose of determining the levy described in this subsection, the district may add the increment value, as defined in section 50-2903, Idaho Code, to the actual or adjusted market value for assessment purposes of the district as such value existed on December 31 of the previous year.

Notice of such election shall be given, the election shall be conducted, and the returns thereof made, as provided in ~~sections 33-401 through 33-406~~ title 34, Idaho Code; and the question shall be approved only if a majority of the qualified electors voting at such election vote in favor thereof. ~~If the election be held in conjunction with any other school election, the question herein shall be submitted by separate ballot.~~

2. Sixty percent (60%) of the electors voting in such election are in favor thereof if the levy will result in a total levy for school plant facilities and bonded indebtedness of two-tenths of one percent (.2%) or more and less than three-tenths of one percent (.3%) of market value for assessment purposes as such valuation existed on December 31 of the year immediately preceding the election; or

If such increase or increases be approved by the electors, the terms of such levy shall be in lieu of those approved in the first instance, but disapproval shall not affect any terms theretofore in effect.

Any bonded indebtedness incurred in accordance with the provisions of section 33-1103, Idaho Code, subsequent to the approval of a plant facilities reserve fund levy shall not affect the terms of that levy for any time during which such levy is in effect.
